AVERTISSEMENT / WARNING

Risque de blessures graves ou mortelles par écrasement en cas de chute du meuble.
Pour éviter tout risque de basculement, ce meuble doit être fixé au mur. Les vis incluses sont pour les murs avec montants de bois. Pour toutes autres compositions murales, utiliser des vis et des chevilles adaptées à votre type de mur. En cas de doute, demander conseil à un professionnel.
Risk of serious injuries or death from being crushed by the furniture falls.
To avoid any risk of tipping, the furniture must be fixed to the wall. The screws included are for walls with wood studs. For all other wall compositions, use screws or anchors adapted to your type of wall. If unsure, ask a professional for advice.

31- Installation tour au mur / Installing unit to the wall
